Simplifying lives.

FITTING INSTRUCTIONS:

1. Align the marker (Top Flap) along the panel edge.
2. Mark the center point of the circle.
3. Drill $\text{Ø}21\text{mm}$ hole.
4. Insert lock through the hole from the inner side of the panel.
5. Secure the lock onto the inner side of the panel by using the wood screws.
6. Fix the bezel in the front panel to cover the drilled hole.
7. Fix the locking bracket on the inner side of the top panel.
