INTRODUCTION

A sophisticated shelving system minimal by design, versatile and exceptionally flexible. Wide range of adaptors, brackets, shelves, cabinets, hangers and Pullout drawers makes it a designer's choice due to its functionality. These can be mounted from floor to ceiling or floor to wall as high up to 3 meters.

Thoughtfully designed aluminium section for concealed wires that enables the addition of light fixtures, television sets, music systems, desktop, computers and other devices that need electric power on the pole shelving units.

Design your own unit by imaginatively using Ebco's Pole Shelving Systems! There's no limit to what you can create!
