Profile

Sri Sai Enterprise was started by Mr. Satish B. Bhalala 25 years ago with the dream to help people build beautiful spaces. We are one of the leading suppliers of brass and stainless steel hardware and accessories in Jamnagar, Gujarat.

We provide a large assortment of brass, stainless steel and aluminium products crafted to perfection, amongst which you'll find every possible piece you need to make your interior and exterior spaces be true definitions of luxury.

We also take pride in our speedy customer service through our dealer networks which allows us to help them in every possible way.

With each product we provide a guarantee of an excellent manufacturing process which uses the latest technology available in the industry.

Our aim is to give you something not just with exquisite finish, but something that is manufactured with the highest quality raw materials. A large portion of our energy is focussed on quality control and on making the products affordable and hence accessible to everyone.

We also have ISO and CE certifications which further back our quality and safety standards.

Over the last 25 years, we have built a strong base of satisfied clients who consistently received magnificent, durable products with sound design from us.
